Meet AR Shopper

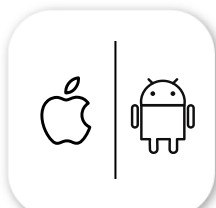

AR Shopper is an AR plugin for e-commerce websites that enables owners to provide the best-in-class shopping experience to their customers.

The website's visitors can preview how an item would look in their space, in AR mode and in real-time, using their phone or tablet, prior to placing their order.

Integrates with any E-shop and E-Commerce platform.

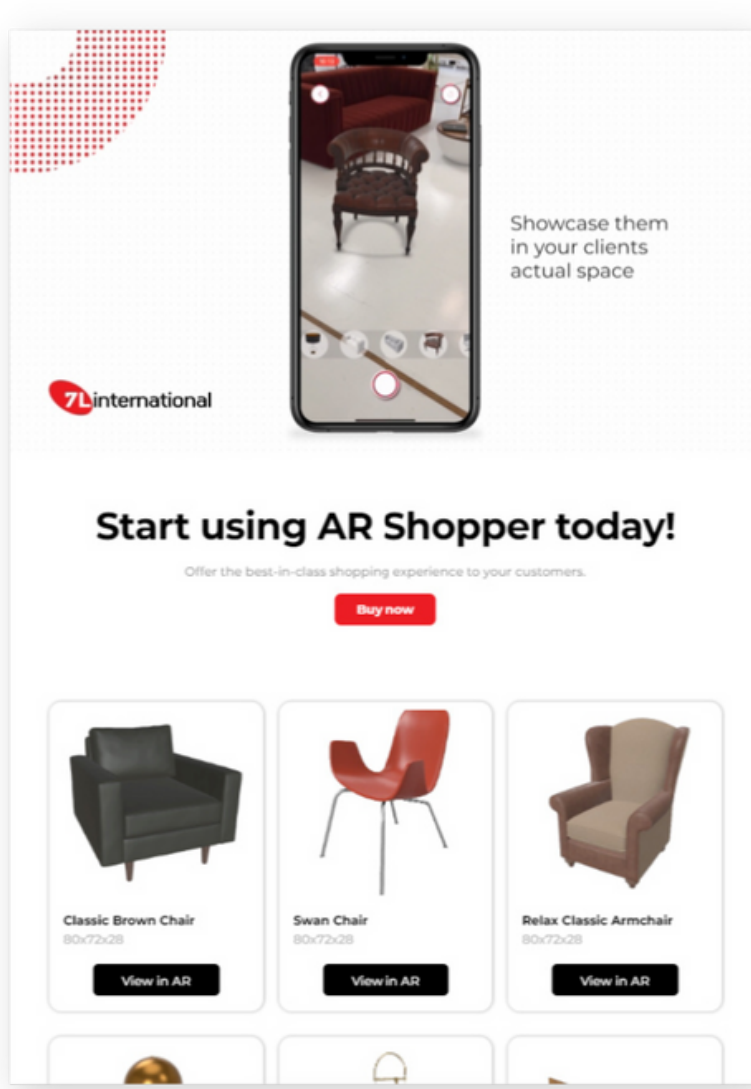

AR Shopper works with AR-supported mobile devices and tablets. Mobile app available for iOS and Android devices.

Possibility to upload and display multiple 3D-renderings of merchandise.
